

Are you ready for **The Farm Tech Challenge?**

Are you aged between 11-14 years?

Do you think you can create the next generation of digital technology to help farmers produce more food while looking after the environment and safety of people on the farm?

Visit the **The Farm Tech Challenge** website on www.farmtechchallenge.co.uk for more details.

The Challenge deadline is **Wednesday 29th March 2017.**
